

POLY BUBBLE MAILERS

WATER-RESISTANT AND TEAR-PROOF MAILER PROTECTS DELICATE PRODUCTS.

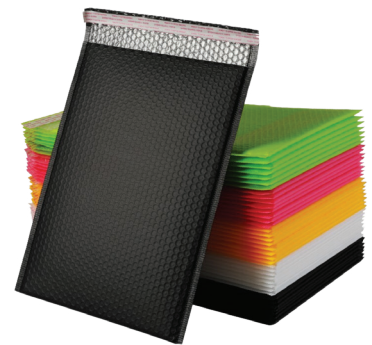

Poly Bubble Mailers are lightweight, padded envelopes designed for shipping fragile items. They can be sold in multiple different sizes, colours and can be printed onto. They feature a durable outer layer and an interior lined with bubble wrap, providing excellent protection against damage. Also, they are water-resistant, tear-proof and have a self-seal adhesive strip.
